

## TUESDAY JOHNSON

1715 Hamiel Drive, Las Cruces, NM 88001 | (575)636-7624 | tuesdayjohnson24@gmail.com

### EDUCATION

New Mexico State University  
**Master of Science, Pure Mathematics** 1996

Lewis-Clark State College  
**Bachelor of Science, Mathematics** 1994

### TEACHING EXPERIENCE

University of Texas at El Paso, El Paso, Texas  
**Lecturer – Department of Mathematical Sciences** 2003 - present

Instructor of record for Mathematics in the Modern World, Mathematics for the Social Sciences I and II, Descriptive and Inferential Statistics, Conceptual Algebra, Conceptual Mathematics I and II, Properties of Real Numbers I, Pre-Calculus, Calculus I, and History of Mathematics. Coordinated Teaching and Learning Seminar in conjunction with College of Education, coordinated Mathematics for the Social Sciences I and Calculus for the department. Department undergraduate advisor for students majoring or minoring in mathematics.

Doña Ana Community College, Las Cruces, New Mexico  
**College Assistant Professor** 2003 - present

Instructor of Basic Algebra, Pre-Algebra, Mathematics Appreciation, Survey of Mathematics, Intermediate Algebra, College Algebra, Applied Calculus, Fundamentals of Elementary Mathematics II, and Calculus I. Worked with colleagues to design departmental final exams for various courses.

Broome Community College, Binghamton, New York  
**Assistant Professor** 2001 - 2003

Instructor of Mathematics for Elementary Teachers, College Algebra and Trigonometry, Pre-Calculus, Calculus I and II, Differential Equations, and Logic. Coordinator of New York State Mathematical Association of Two-Year Colleges local mathematics contest. Chair of committee to integrate project based learning in Calculus, department liaison for Service Learning projects, member of committee to develop new mathematics courses for the technical programs.

New Mexico State University, Las Cruces, New Mexico  
**Assistant Professor** 1997 - 2001

Instructor of Intermediate Algebra, College Algebra, Trigonometry, Mathematics Appreciate, Applied Calculus, Calculus I and II. Supervisor for Mathematics Tutoring and Testing Centers, course coordinator for College Algebra and coordinator of undergraduate tutors for Mathematics Learning Center program. Generated and maintained materials for the Mathematics Learning Center test banks, developed and graded individual and group projects for Calculus reform grant supported by the National Science Foundation. Tutored students in Intermediate Algebra, College Algebra, Trigonometry, Calculus, Discrete Mathematics, Differential Equations, and Statistics. Conducted Calculator Workshops for the Texas Instruments graphing calculator series.

### RELATED EXPERIENCE

Addison Wesley Longman  
**Book Reviewer**  
Gave directed feedback to publisher and author for text books in development

New Mexico State University  
**Advisor** 1999 – 2002  
Faculty advisor for Lady Chile's Rugby Football Club team responsible for approval of funds and general guidance to keep the club team in line with University policies.

University of Texas at El Paso

**Advisor**

2015 – 2017

Faculty advisor for University Wrestling Club responsible for approval of funds and general guidance to keep the club team in line with University policies.

University of Texas at El Paso

**Advisor**

2016 – 2017

Faculty advisor for Miners Mining Minds club responsible for approval of funds and general guidance to keep the club in line with University policies.
