WebAssign Class Key:	This classroom will have students from two different sections at the same time. Please pay attention to your CRN when registering for this course on WebAssign. For CRN 23882 use the code utep 9752 1420 For CRN 27147 use the code utep 9565 0012
Required Technology:	MS Excel and a WebAssign account.
Course Information:	<p>Math 1320 is a pre-calculus course for liberal arts, business and other non-science majors. The topics covered include:</p> <ul style="list-style-type: none">• Linear, quadratic, exponential, and logarithmic functions• Systems of linear equations• Matrix algebra• The mathematics of finance• The algebra of sets• Probability <p>Students will learn mathematical concepts and methods used in management, social science, and business. Students will develop the view that mathematics is an evolving discipline that is interrelated with human culture. Students will also understand the connections of mathematics to other disciplines.</p>
Assignments:	Homework will be assigned for each section of each chapter. This homework is only available on WebAssign with due dates posted on the homework site. Any problem completed correctly more than 48 hours prior to the due date will earn 10% extra credit. This is the only available extra credit for this class. You may also have in-class quizzes, either announced or unannounced. There will be no make-ups for quizzes. If you miss the class, you miss the quiz. The

lowest two quiz scores will be dropped at the end of the semester. We will also have three exams along with a comprehensive final exam.

Assessment:

Your overall grade will consist of the weighted average of your scores on three exams, quizzes, WebAssign homework, and the final exam. **If it benefits you, the score you receive on the final exam will replace your lowest exam score.**

If a student receives a grade of “D” or “F”, then they may register for Maymester workshop or take a comprehensive TestOut exam. A grade of 70% or better on the written comprehensive Maymester final exam or a 70% or better on the comprehensive TestOut exam, will replace a failing course grade with a grade of “C”. (A grade change form will be signed and submitted by the coordinator for Math 1320, Ms. Nada Al-Hanna.).

Grading Policy:

The usual grading scale will be used for this course (90%-100% is an A, 80%-89% is a B, etc.)

Three exams	45% (15% each)
WebAssign homework	15%
Quizzes	15%
<u>Comprehensive final exam</u>	<u>25%</u>
Total	100%

Make-up Policy:

Make-up quizzes will only be given for students attending university sponsored events (such as student athletes traveling to meets), and only with **prior notification** and appropriate documentation. A make-up exam will only be given in extraordinary circumstances (severe illness, death in immediate family), and with appropriate documentation (e.g. doctor’s note).

Attendance Policy:

As with every college course, attendance is essential for success. Try not to be absent unless it is absolutely necessary. If possible, it is better to let me know ahead of time when you will be absent. If you are absent, it is your responsibility to find out which assignments you need to make up.

**Academic Integrity
Policy:**

The University policy is that all suspected cases or acts of alleged scholastic dishonesty must be referred to the Dean of Students for investigation and appropriate disposition. Any student who commits an act of scholastic dishonesty is subject to discipline. Scholastic dishonesty includes, but is not limited to cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such acts. Each student is responsible for notice of and compliance with the provisions of the Regents' Rules and Regulations, which are available for inspection electronically at <https://www.utsystem.edu/offices/board-regents/regents-rules-and-regulations>.

All students are expected and required to obey the law, to comply with the Regents' Rules and Regulations, with System and University rules, with directives issued by an administrative official in the course of his or her authorized duties, and to observe standards of conduct appropriate for the University. A student who enrolls at the University is charged with the obligation to conduct himself/herself in a manner compatible with the University's function as an educational institution.

Any student who engages in conduct that is prohibited by Regents' Rules and Regulations, U. T. System or University rules, specific instructions issued by an administrative official or by federal, state, or local laws is subject to discipline, whether such conduct takes place on or off campus or whether civil or criminal penalties are also imposed for such conduct.

Civility Statement:

Please do not use smart phones, smart watches, iPads, blue tooth or any smart device during quizzes and exams. While in class, cell phones and tablets should be set to silent or vibrate, and any calls should be taken outside of class. Please do not wear headsets or blue tooth devices during class. Please don't talk in class. Cell phone calculators may not be used on quizzes or exams. Active participation in class is expected, teamwork in class will be implemented. Videos or pictures of lectures must have written consent from the instructor and student(s).

- Disability Statement:** If a student has or suspects she/he has a disability and needs an accommodation, he/she should contact The Center for Accommodations and Support services (CASS) at 747-5148 or at <cass@utep.edu> or go to Room 106 Union East Building. The student is responsible for presenting to the instructor any CASS accommodation letters and instructions.
- Military Statement:** If you are a military student with the potential of being called to military service and/or training during the semester, please contact me by the end of the first week of class
- Course Schedule:** See last page.
- Technology:** A TI-83 or TI-84 (or similar) graphing calculator is recommended by the department. Personally, I encourage the use of the TI-30XS or TI-30XIIS.
- Drop Deadlines:** The last day to drop the course without a "W" is Wednesday, February 6th. The last day to drop the course with a "W" is Friday, April 5th. Students who decide to drop the course must process a drop form, in person, at the Registrar's Office, by April 5th. Please note that the College of Science will remain aligned with the University and **will not approve any drop requests after that date.**
- If you are enrolled in both Math 0312 and Math 1320 and you are dropped from Math 0312, then you will be also dropped from Math 1320.
- Tutoring:** The MaRCS tutoring center offers free tutoring and is located at the UTEP library room 218. There are several useful features of WebAssign designed to give extra help. Please also make use of the instructor's office hours.
- Websites:** WebAssign, www.webassign.net. UTEP Math 1320 website: <http://www.math.utep.edu/classes/math1320/>
