

.....**TEAR OUT THIS PAGE**.....

- An **OPTIONAL** comprehensive test-out exam will be offered Thursday December 14th, 2017 in the Library room 204A and 204B beginning at 7:30AM. You must start the Test-out Exam within 15 minutes of the time you signed up. This optional exam is for students who receive (or think they may receive) a D or an F in Math 1320. You may take the exam even if you are not sure of your final grade (if you end up passing your course, nothing will happen).

To sign up for the test-out exam copy and paste the link below.

Then enter the requested information

- Select the time for your exam
- If a time is grayed-out or you are not allowed to click on a time then that time and room has been filled to capacity.
- Registration begins Friday December 8 and ends at midnight Tuesday December 12, 2017.
- **If you register for more than one time, then we will only honor the earliest time you have selected and your name will be removed from all later times.**

- **You are responsible for all sections in the calendar.**
 - M1320 – Chapters 1, 2 (excluding 2.4), 3, 4, 7, and 8 (excluding 8.6, 8.7)
- You must bring a **Photo ID** to the test-out exam. You will not be allowed to take a test-out if you do not have a photo ID.
- If you pass the test-out exam with a 70% or better, then your grade for Math 1320 will be changed to a C. Again, this is **ONLY** for students who receive a D or an F in Math 1320.
- There are only 35 seats per room available per time so please sign up early.
