

## WINTERMESTER WORKSHOP

- We will offer a workshop for students who **DO NOT** pass Math 1320 with a C or better.
- **You cannot take the Wintermester workshop if you dropped the course with a W.**
- Students may pick up a Wintermester workshop registration form at Bell Hall room 325 beginning December 11.
- **You may register for the Wintermester workshop December 19, 20, and 21** at Kelly Hall, Suites 102 with Professional and Public Programs.
- Registration fee, **\$110**, must be paid by the student. Student cannot use financial aid or scholarships to pay for the workshop.
- The workshop for Math 1320 will be January 2 through January 13, 2018. Classes will meet every day except on Sunday from 9:00AM to 12:00 Noon.
- An email will be sent out to you with the classroom building and room number after you register for Wintermester.
- Students will take one written comprehensive final exam. If students pass this exam with a **70% or better**, then their grade for Math 1320 will be changed to a **“C”**.
- If there are not enough enrollments, then the Wintermester workshop may be cancelled.
- This workshop is optional. There will be a WebAssign TestOut exam on January 12 available for any student who did not pass Math 1320.
  - The TestOut exam is free.
  - You do not have to register for this test, just show up to room 204A in the Library at 9:00 am.
