

**THE UNIVERSITY OF TEXAS AT EL PASO**  
**COLLEGE OF SCIENCE**  
DEPARTMENT OF MATHEMATICAL SCIENCES

Course #:	1312	
Course Title:	Calculus II	
Credit Hrs:	3	
Term:	Fall 2009	
Course Meetings & Location:	TTh 12:00-1:20 in LART 107	
Prerequisite Courses:	Math 1411	
Course Fee: (if applicable)		
Instructor:	M. A. Khamsi	
Office Location:	Bell Hall 328	
Contact Info:	747-6763	Phone #
	Mohamed@utep.edu	E-mail address
	747-6502	Fax #
	747-6750	Emergency Contact
Office Hrs:	TTh 10:30 to 12:00, and by appointment.	
Textbook(s), Materials:	Required:	Calculus 8 <sup>th</sup> Edition, by Larson & al
	Suggested:	Webassign account
Course Objectives (Learning Outcomes):	The student will solve different types of Calculus exercises, using standard methods, proofs, connections with practical situations and/or using the technology (graphing calculator or PC graphing software).	
	The expected student learning outcome from this course is that students learn well enough to pass Calculus II and to succeed in all math courses that require Calculus II as a prerequisite.	
Course Activities/Assignments:		
Assessment of Course Objectives:	There will be homework, grades from quizzes, three midterms, and the final exam.	
Grading Policy:	The in class quizzes, homework, and midterms count 50% and the final exam counts 50% towards your overall class average.	
Make-up Policy:	Make-up tests will only be given under extraordinary circumstances and only if the instructor prior to the exam date.	
Content:	The course will cover Chapters 7, 8 and 9 of the textbook. The instructor will assume you have a thorough knowledge of the material covered in Calculus I.	
Fair Warning:	It is expected that you spend an absolute minimum of two hours outside of class in-class hour on solving homework problems, reading the textbook and reviewing class notes. If you do not have the time necessary, you should take the course the next semester. The course's approach to calculus is intended to be different. If you have taken a calculus course already you will probably find much that is unfamiliar and a new emphasis on things you may think you know already. Be alert to this and remember that your previous experience is unlikely to be enough to coast on. Treat each topic as if you are meeting it for the first time, and be alert to make sure you understand each day's material before the next class meeting.	
Attendance Policy:	It is a must you attend all lectures. Unjustified absences will result in points taken from the Part average.	
Academic Integrity Policy:	For more on this, please refer to UTEP's policy cited in: <a href="http://academics.utep.edu/Default.aspx?tabid=23785">http://academics.utep.edu/Default.aspx?tabid=23785</a>	
Civility Statement:	As a general rule, anything that will disturb other students will not be admitted.	
Disability Statement:	If a student has or suspects he/she has a disability and needs an accommodation should contact the Disabled Student Services Office (DSSO) at 747-5148 or at <dss@utep.edu> or go to Room 106 Union East Building. The student is responsible for presenting to the instructor any DSS accommodation letters and instructions.	
Military Statement:	If you are a military student with the potential of being called to military service	

training during the course of the semester, you are encouraged to contact the instructor as soon as possible.

Course Schedule: The final exam is comprehensive and will be held Tuesday Dec 8 from 1PM to 3PM. The class schedule lists **Friday, October 30** as the last day to drop with an automatic "W". The instructor will NOT assign a "W" for students dropping the course after the
