Textbook(s), Materials: Required: The Heart of Mathematics: An Invitation to Effective Thinking, Second Edition, by Edward B. Burger and Michael Starbird

Recommended: The text is packaged with a set of useful materials, and it will be useful for you to have them, as well as a calculator and a compass.

Course Objectives: The purpose of this course is to have students work with significant, yet accessible, mathematics, with the goal of having students develop better mathematical understandings and skills, so that students will be able to apply mathematical thinking in and outside of mathematics.

Course Activities/Assignments: Course activities will include classroom activities, out-of-class assignments, weekly problems, and a final exam.

Assessment of Course Objectives: In-class activities and out-of class assignments will be assessed for completion; weekly problems will be scored for correctness and it is expected that students will re-work, and re-submit, incorrect answers; the final exam will be scored for correctness.

Grading Policy: Grades will be assigned on a standard scale:

90 or higher A, 80 - 89 B, 70 - 79 C, 60 - 69 D, 59 or less F.

Grades will be calculated using the following percentage weights:

Classwork 20, Assignments 20, Weekly Problems 40, Final Exam 20.

Make-up Policy: Late work will not be accepted. Missed classwork will not be made up; it can be excused with sufficient documentation of the absence.

Attendance Policy: Attendance is expected and required. Tardiness and/or unexcused absences will result in poor classwork grades, leading to a low overall grade in the course.

Academic Integrity Policy: Acts of academic dishonesty will not be tolerated in this class. Lapses in academic integrity will be referred to the Dean of Students, as required at <http://academics.utep.edu/Default.aspx?tabid=23785>.

Civility Statement: This course requires positive behaviors: Be on time and be focused on your work. Please do not distract yourself or others with telephones or music.

Disability Statement: If a student has or suspects he/she has a disability and needs an accommodation, he/she should contact the Disabled Student Services Office (DSSO) at 747-5148 or at jdss@utep.edu, or go to Room 106 Union East Building. The student is responsible for presenting to the instructor any DSS accommodation letters and instructions. The instructor in this course will comply with all requirements.

Military Statement: If you are a military student with the potential of being called to military service and /or training during the course of the semester, you are encouraged to contact me as soon as it appears that your service will interfere with this course. The instructor will work with you to ensure that your service will not adversely affect your academic progress.
