Suggested: Ti 89
Course Objectives (Learning Outcomes):
You will learn about the structure of 3 dimensional space and the use of vectors to describe motion and forces in 2 and 3 dimensional space.
Course Activities/Assignments:
This course will cover chapters 11-14 of the text. The material will be presented in a manner that is intended to promote true learning and understanding rather than memorization until the test is past.
Assessment of Course Objectives:
Grades will be based on quizzes, 3 midterm exams and a final exam.
You may not use notes on the exams, however, I will provide formulas.
Course Schedule:
Tests will come at approximately 4 week intervals. Exact dates will be announced in class at least 1 week in advance.

October 30 is the drop deadline.
Final exam is Dec 9 at 1900
Grading Policy: The cumulative quizzes will be equal to one of the midterm exams in weight. The final exam will be equal to two midterms. Final grades will be determined by the percentage of points earned.

90-100% A
80-89% B
70-79% C
60-69% D
<60% F
Make-up Policy: No make up exams will be allowed except with proper documentation, i.e. doctor’s note, hospital’s note, or UTEP excused absence document. Homework is due on specified due dates no exceptions.
Attendance Policy: Be there. Get you money’s worth.
Academic Integrity Policy: Cheating on a Test or Quiz must be dealt with in accordance with University regulations. This means automatic referral to and adjudication by the Dean of Students. During a Test or Quiz, you must present yourself in a manner that reflects an understanding of the traditional standards of academic honesty. You may not use notes, your text, or an unauthorized calculator, and you may not at any time speak to other students or refer to their papers.

Civility Statement: Rule 1. RELAX. I haven’t had a fatality in 30 years of teaching. Rule 2. Ask questions if you don’t understand. This isn’t high school so don’t raise your hand and wait for me to call on you. Rule 3. If your cell phone is more important than what we are doing in class, you are in the wrong place. Turn it off or take it outside.

Disability Statement: If a student has or suspects she/he has a disability and needs an accommodation, he/she should contact the Disabled Student Services Office (DSSO) at 747-5148 or at <dss@utep.edu> or go to Room 106 Union East Building. The student is responsible for presenting to the instructor any DSS accommodation letters and instructions.

Military Statement: If you are a military student with the potential of being called to military service and/or training during the course of the semester, you are encouraged to contact as soon as possible
